Proposed Amendment to the Environmental Restoration Disposal Facility Record of Decision

The U.S. Environmental Protection Agency, the U.S. Department of Energy, and the U.S. Department of the Interior (the Tri-Party agencies) requests public comment on the proposed Amendment to the Environmental Restoration Disposal Facility (ERDF) Record of Decision, DOE/RL-2004-64. The purpose of the Amendment is to allow the disposal of additional wastes generated routinely from other Hanford activities not identified within any specific cleanup action in ERDF.
